

Driver Education Observation

As a passenger, observe other drivers on the road for a minimum of two (2) hours. Keep a record of high risk behaviors, driving errors and infractions made by other drivers. DO NOT include the person driving your car! If an infraction or error is made while the driver is using a cell phone please note.

High Risk Behavior-Infraction-Error	Tally	Total
Check Rear-view Mirror		
Signal		
Check Blind Spot		
Fade to Correct Lane Position		
Check Intersection		
Confirm		
Check Rear-view Mirror		
Talking/Texting on Cell Phone		
Roll Stop sign/light		
Running Red light		
Did not Stop behind stop line		
Sudden Start or Stop		
Corner faster than 15mph		
Tailgating		
Speeding		
Turn from or into incorrect lane		
Not yielding the Right-of-Way		
Lane Position - Swerving		

Strategies to use to compensate for other drivers' mistakes: _____
